And a bunch of carrots—we mean and a bottle of bilgewater. Yosemite Sam the Pirate Man is cutting loose with that sassy Bugs. It's a combination that's enough to drive a person to the nearest stand — for a copy of next month's rollicking BUGS BUNNY.

MOVIE STORY DUE NEXT MONTH

It's going to be an exciting event—the Gold Key issue of GOODBYE, MR. CHIPS, based on the M-G-M motion picture. We predict the movie will be around for years to come, and the comic will become a collector's item. It's the very human story of a shy schoolmaster and his vivacious wife, set against the colorful background of a tradition-bound British school.

Meet Mr. Chips—you'll be glad you did.

THE GROTESQUE ONE

That's what Francois was called, an object of ridicule. His only friends were the stone gargoyles that looked out from the cathedral onto the town square. But when Francois had to bid his friends farewell, a monstrous terror gripped the town. One of the great thrillers in next month's BORIS KARLOFF, TALES OF MYSTERY.

Take your choice of 100 wonderful prizes. You can earn as many as you want. Most prizes shown here and many more in our Big Prize Book are given WITHOUT COST for selling just one 48-pack order of American Vegetable and Flower Seeds at 25¢ a pack. Some of the larger prizes require more sales or extra money as explained in the Big Prize Book.

Everybody wants American Seeds. They're fresh and ready to grow. You'll sell them quickly to family, friends and neighbors. Many boys and girls sell their packs in one day. You can too—and get your prize at once. Or, if you want money instead of a prize, keep $4.00 for every 48-pack order you sell.
